

OMEGA STONES PVT. LTD.

SINCE 1995

ABOUT-US

MANOJ KUMAR JAIN

Founded in 1995, **Omega Stones Pvt. Ltd.** has been a leading force in the global natural stone industry, specializing in premium granite exports. With decades of expertise, we have built a reputation for impeccable quality, innovation, and reliability, making us the preferred partner for granite suppliers and dealers across international markets.

Driven by a passion for natural stones, we ensure that every slab reflects timeless elegance and unmatched durability. Our commitment to precision craftsmanship, competitive pricing, and timely deliveries allows us to meet the dynamic needs of our global partners while fostering long-term relationships built on trust and excellence.

PROCESSING IN OUR FACTORY

MISSION

At **Omega Stones Pvt. Ltd.**, our Mission is to deliver premium-quality natural stone solutions that embody elegance, durability, and innovation. We strive to exceed global industry standards through precision craftsmanship, ethical sourcing, and customer-centric service, ensuring our partners receive only the finest granite products.

VISION

To be the world's most trusted and innovative supplier of natural stone, setting benchmarks in quality, sustainability, and reliability. We aim to expand our global footprint while preserving the timeless beauty of natural granite through advanced technology and responsible practices.

MOTIVE

Our driving force is the passion for natural stones and the commitment to excellence. We aspire to enhance architectural and design landscapes worldwide by providing superior granite products that stand the test of time, fostering strong relationships with our clients, and continuously evolving to meet the ever-changing demands of the industry.
